

# IMHOTEP'S LEGACY ACADEMY FACULTY OF DENTISTRY

## SUMMER RESEARCH SCHOLARSHIP AWARD

### Purpose

The goal of the Imhotep's Legacy Academy (ILA) is to increase the number of African Nova Scotians pursuing post-secondary education in the fields of science, technology, engineering and mathematics (STEM). The ILA offers weekly interactive STEM enrichment activities and homework help for junior high students, an on-line tutoring program for high school students and summer research internships for post-secondary students. The ILA has partnered with the Dalhousie University Faculty of Dentistry (FoD) to create this scholarship for African Nova Scotian, Black, or persons of African heritage who have an **interest in research, dentistry, or dental hygiene** in Nova Scotia. Its purpose is to increase the number of African Nova Scotian, Black, or persons of African heritage in the field of **Oral Health** by providing related research experience.

### Eligibility

Any African Nova Scotian, Black, or individuals of African heritage currently enrolled in undergraduate post-secondary STEM studies, e.g., science, engineering, health, in Nova Scotia is eligible to apply. Preference will be given to applicants who have participated, or intend to participate, in the Imhotep's Legacy Academy.

### Description

One scholarship valued at \$6,500 is available for the summer, with equal contribution from the ILA and the FoD. This award may supplement any other award. The award is tenable at Dalhousie University under the guidance of a faculty member whose primary appointment is in the Faculty of Dentistry. In advance of their application, students are expected to identify and communicate with the prospective FoD faculty member(s), whose research is in an area of interest to the applicant.

### Selection procedure

Selection is based on a combination of academic performance (50%), research ability (30%) and leadership/community involvement (20%). A cumulative GPA at the time of application in a science program of study of at least 3.0 is required.

### Selection committee

The selection committee is composed of members of the ILA's Board of Directors and a representative of the Faculty of Dentistry.

### Deadline: March 24, 2025

Submit completed application form (Part I), applicant's statement (Part II), and reference letter (**must come from your supervising professor**), along with most recent transcripts **via email** to:
